Hillsboro Ride a Great Success

Sandy's Take

I had a great time on our overnight ride to Hillsboro. Troy Helflick led the ride and he picked some very beautiful scenic roads. We left about 9:30am and arrived at our destination around 3:00pm, so a nice long ride with a great group of people. We had some good conversations and many laughs together.

I would like to thank those who were able to ride in the Jordan White benefit. It turned out to be a beautiful day and we raised money for a wonderful family.

Also, as many of you already know, this will be my last newsletter as an officer. I have many other obligations and have three meetings on the Thursdays we hold our HOG Chapter general membership meetings. I was able to handle it for a while, but it is just proving to be too much. I've truly enjoyed my time as the Membership Officer. I will not be leaving the Chapter, just letting go of the obligations it takes to be an officer. I still plan on helping out when I can.

Phil's Take

I would like to start off by thanking everyone who attended the Hillsboro overnight ride. We left Janesville at 9:30 in the morning with great weather and Troy Heflick leading us. We took a nice break in New Glarus and then headed to Spring Green for a wonderful lunch break along the Wisconsin River.

We then rode to Bunker Hill and Yuba City where there was a fun small town festival going on. We arrived at the Hillsboro Inn and had a great supper, cocktails and socializing.

In the morning we skipped the Chicken Run in Rockton to beat a storm and opted to have a lunch break in Black Earth at Rookies instead before heading home.
